# TREESCAPE ASIAPACIFIC TCC 2013

The 6th annual *Treescape* Asia-Pacific Tree Climbing Championship (APTCC) is being held in Auckland and promises to be a great event, hosting the very best climbers from the Asia Pacific region including New Zealand. The APTCC is an International Society of Arboriculture (ISA) sanctioned event and in 2013 it is being hosted by the New Zealand Arboricultural Association (NZ Arb).

The eventual winners of the Asia-Pacific TCC (Men's and Women's) earn the right to compete at the ISA's International Tree Climbing Championship (ITCC) in Toronto, Canada, in August this year.

**This year's APTCC event would not be able to happen without the support of our amazing sponsors.**
